MARRIAGE TIP OF THE MONTH

A fundamental principle of our Catholic faith is that mercy must be part of our lived experience. Practicing forgiveness in all areas of our lives is important, but it is especially necessary in marriage. The intimate relationship of marriage means there will be hurt, anger and resentment between us at times and in these moments we must both seek and provide forgiveness. When we live with a merciful heart, instead of becoming hardened to the goodness in our spouse, we see the good, the joyful and the love that they carry for us.
